

## **Bench to Mensch**

# **Data Protection Issues in Designing Drug Repositioning Trials**

**Referent: Dr. Marc Stauch**

Institut für Rechtsinformatik  
Gottfried Wilhelm Leibniz Universität Hannover

Di 07. Februar 2012, 15:00-16:00h s.t.  
HCTC Seminarraum K27/3. Stock

**With series of short presentations we want to open a discussion forum for REBIRTH members (and guests) to discuss selected topics of good clinical practice (GCP) and regulatory approaches aiming at the transition from bench to bedside research in translational medicine.**
