

Bench to Mensch

Informed and Explicit Consent in Clinical Trials

Referent: Mgr. Magdalena Góralczyk

Institut für Rechtsinformatik
Gottfried Wilhelm Leibniz Universität Hannover

Di 05. Juni 2012, 15:00-16:00h s.t.
HCTC Seminarraum K27/ 3. Stock

With series of short presentations we want to open a discussion forum for REBIRTH members (and guests) to discuss selected topics of good clinical practice (GCP) and regulatory approaches aiming at the transition from bench to bedside research in translational medicine.
