Forschung mit Medizinprodukten – Standards und Grenzfälle

**Referent: Dr. Oliver Pramann,
Fachanwalt für Medizinrecht**

Kanzlei 34
Königstr. 34
30175 Hannover

Di 04. Dezember 2012, 15:00-16:00h s.t.
HCTC Seminarraum K27/ 3. Stock

With series of short presentations we want to open a discussion forum for REBIRTH members (and guests) to discuss selected topics of good clinical practice (GCP) and regulatory approaches aiming at the transition from bench to bedside research in translational medicine.
