

Save-the-Date: May 16 – 17, 2017 - 9th International Meeting Stem Cell Network NRW

Ladies and Gentlemen,

Only three months until the 9th International Meeting 2017 in Muenster. We are looking forward to welcoming top-notch speakers like **Hans Clevers** (keynote), **Michele De Luca**, **Chuck Murry**, **Maria-Elena Torres-Padilla**, **Robert Weinberg**, **Zena Werb** and many more! Please find the detailed program here:

www.congress.stemcells.nrw.de/en/program-speakers.html

Participation is free again thanks to the support of the Federal Ministry of Innovation, Science and Research NRW. Please register here: www.congress.stemcells.nrw.de/en/congress-registration.html

Poster Session: Please submit your poster by **March 1, 2017** here: www.congress.stemcells.nrw.de/en/poster-presentation.html

Non-PI Workshop: We are looking forward to host the pre-meeting Non-PI workshop on **May 15, 2017**, organized by our partners of GSCN. Please find information on the program and registration here: www.congress.stemcells.nrw.de/en/gscn-non-pi-meeting.html

7th Bioinformatics and Stem Cells Satellite: We are also happy to announce a post-meeting session on Bioinformatics.

Date: May 17, 2017, 18h; May, 18, 2017 afternoon

Location: May 17, 2017 - Congress Hall at Halle Münsterland,

May 18, 2017 - Lecture Hall of the MPI for Molecular Biomedicine Münster

Registration for this workshop is mandatory, but at no cost. Please register here: <http://nrwscbio2017.weebly.com>

Invited talks will be given by **Bob Weinberg** (MIT) and **Zena Werb** (UCSF), among others.

There are still slots available for talks. Please submit your abstracts by **February 27, 2017:** <http://nrwscbio2017.weebly.com>

We would be happy to answer your questions and we are looking forward to welcoming you in Muenster!

Best regards,

Dr. Anne Do Lam-Ruschewski
